

50 Years of Seminar for Analysis and Foundations of Mathematics

led by
Academician Bogoljub Stanković

Serbia Novi Sad

Department of Mathematics and Informatics, Department of Mechanics and Center for Mathematical Research of Nonlinear Phenomena are pleased to invite you to the celebration of 50 years of Seminar for Analysis and Foundation of Mathematics, successfully led by Academician Bogoljub Stanković.

The main programme consists of three conferences:

- PDEMTA -

Topics in PDE, Microlocal and
Time-frequency Analysis

SEPTEMBER 3-8, 2012

- MechAM -

Contemporary Problems of
Mechanics and Applied Mathematics

SEPTEMBER 3-6, 2012

- LogTop -

Mathematical Logic and
General Topology

SEPTEMBER 5-8, 2012

Scientific Committee:

Bogoljub Stanković
Teodor M. Atanacković
Stevan Pilipović
Miloš Kurilić

Organizing Committee:

Marko Nedeljkov
Teodor M. Atanacković (MechAM)
Stevan Pilipović (PDEMTA)
Miloš Kurilić (LogTop)

Srboljub Simić (MechAM)
Aleksandar Pavlović (LogTop)
Sanja Konjik (PDEMTA)
Boris Šobot (LogTop)

Organizers

Department of Mathematics and Informatics
Department of Mechanics
Center for Mathematical Research of Nonlinear Phenomena

Supporting organizers

Serbian Academy of Sciences and Art
Serbian Ministry of Education and Science
Provincial Secretariat for Science and Technological Development
The International Society for Analysis, its Applications and
Computation - ISAAC

Registration

For registration please contact the local organizers:

PDEMTA
stevan.pilipovic@dmf.uns.ac.rs
sanja.konjik@dmf.uns.ac.rs

MechAM
atanackovic@uns.ac.rs
ssimic@uns.ac.rs

LogTop
logtop@dmf.uns.ac.rs
milos.kurilic@dmf.uns.ac.rs
aleksandar.pavlovic@dmf.uns.ac.rs
boris.sobot@dmf.uns.ac.rs
